- 2.3 **Support Services** – Videotron also agrees to provide technical support, maintenance and repair service to allow the customer to enjoy the Services and use the Equipment supplied by Videotron (the “Support Services”). Any services related to the Equipment which are not covered by this agreement are specifically excluded from the Support Services.

- 2.5 **Videotron’s obligations** – The customer expressly acknowledges that, with respect to the Services, Videotron’s obligations are limited to distributing the programs it receives or produces according to the category of cable distribution services outlined in the Specifications. However, Videotron shall not be responsible for the content of the programs it receives or produces, the whole as stipulated in subsection 8.2 of this agreement.
- 2.6 **Customer’s account payment** – Payment by the customer of his or her account constitutes confirmation that the Specifications in the statement comply with the agreement between the customer and Videotron.
- 2.7 **Minimum Services** – Videotron reserves the right, as a condition of its provision of Services, to demand that the customer purchase and maintain a minimum level of Service, the content of which may be established from time to time by Videotron based on regulatory requirements and Videotron’s policies.

3. PAYMENT OF SERVICES

- 3.1 **Payment of Services** – Starting on the Effective Date, in consideration of the provision of Services to the customer in accordance with the Specifications, the customer agrees to pay Videotron the amount representing the minimum charges and other applicable charges indicated on the account statement. The customer also agrees to pay Videotron any other charges related to additional Services required by the customer from time to time in accordance with subsection 2.2, the charges related to Support Services described in subsection 2.3 and the charges related to the Installation Services set out in subsection 2.4. These charges and rates may be modified by Videotron from time to time in accordance with subsection 3.7 below. The list of Videotron charges and rates currently in force is available by request to Business Customer Service.
- 3.2 **Taxes** – All applicable taxes are in addition to the charges and rates described in subsection 3.1.
- 3.3 **Billing** – Charges shall be payable on the due date indicated on the account statement sent to the customer (by mail or electronically), by authorized payment debited from the customer’s account or by pre-authorized payment charged to the customer’s credit card. If the charges remain unpaid following the due date, they shall bear interest at the rate of 1.5% per month (19.56% per annum) calculated and compounded daily as of the due date. As long as charges remain unpaid, Videotron shall issue an account statement on a monthly basis. Any partial payment made by the customer will first be applied to the accrued interest, then the unpaid capital, starting with the overdue amounts due the earliest with respect to the payment date.
- 3.4 **Minimum charges** – The minimum charges related to the Services shall be billed in advance for the Services to be provided to the customer, the whole in accordance with the Specifications. The charges payable for the provision of Services for a portion of a period shall be pro-rated to the number of days of availability of Services to the customer in proportion to the total number of days included in such period. Advance payment on a basis other than monthly is merely a method of payment and does not grant the customer any advantage whatsoever or protection against any rate increase applicable to any portion of the period for which the customer’s last payment was received. However, this subsection does not apply to the charges, rates and terms of payment applicable during certain promotion periods.
- 3.5 **Additional charges** – Administration charges shall be billed to the customer for any cheque returned due to insufficient funds, for each pre-authorized payment refused by the customer’s financial institution or for any debit from the customer’s credit card not authorized by the issuing institution.
- 3.6 **Credit investigation** – The customer authorizes Videotron and any person acting on Videotron’s behalf, to check before and during the term of this agreement, his or her credit record with the relevant institutions and authorizes financial institutions and other reporting agencies to communicate to Videotron and any person acting on Videotron’s behalf the credit information obtained in his or her customer file. If, in Videotron’s opinion, the customer represents a financial risk, Videotron may demand advance payment for

certain Services or any other guarantee it considers reasonable. The customer has disclosed any material fact or information regarding his or her financial situation which might alter his or her ability to fulfil the commitments contracted under this agreement.

- 3.7 **Modifications** – Videotron may, upon at least thirty (30) days' prior notice to such effect sent by mail to the customer, modify the Services or any other provision of this agreement, including the charges and rates stipulated in subsection 3.1. However, no prior notice shall be required with regard to a modification of Services if Videotron's service offerings remain similar and have no impact on the charges payable by the customer. It is expressly understood that certain services, or their replacement by other similar services, are offered as part of a package deal and that changes to these services do not necessarily entail an adjustment of the charges and rates stipulated in subsection 3.1. By settling the statement of account accompanying any notice of modification to this agreement, the customer is irrevocably deemed to have accepted the modification. However, the customer may, within such thirty (30) days delay, cancel this agreement or request that it be modified in the manner provided in subsection 10.4 below, failing which the customer shall irrevocably be deemed to have accepted the modifications covered by the notice.
- 3.8 **Overdue account** – In the event (i) the account sent by Videotron to the customer falls overdue or (ii) the customer fails to comply with the provisions of this agreement, Videotron may refuse to provide the customer with any additional Service or support Service pending complete payment of the overdue account and interrupt the Services in accordance with the provisions of subsection 10.7 of this agreement.
- 3.9 **Overpayment** – Any overpayment by the customer shall be applied to the next account statement. In the event there remains an overpayment and Videotron ceases to provide Services to the customer and said customer does not owe Videotron any amount, Videotron shall reimburse the customer within forty-five (45) days of the termination of Services.

4. CUSTOMER'S OBLIGATIONS

- 4.1 **Equipment** – Following delivery of the Equipment, the customer agrees to notify Videotron promptly of any defect, failing which the customer shall be deemed to have received the Equipment in good repair and working condition. - 4.6 **Equipment owned by the customer** – The customer acknowledges being in possession of the entire video or audio system needed to meet the minimum requirements related to the use of the Services and rented Equipment. Thus, in the event Support Services are supplied by Videotron to the customer and are the result of a defect in the video system owned by the customer or the said video or audio system fails to meet the minimum necessary requirements, additional Support Services charges may be billed to the customer by Videotron.
